UNIVERSITY PROJECTS (2025/2026-ONGOING)

BDE MMI

VP & Secretary, MMI Student Union (2026-2027):

Communication team lead, I steer **the student union's communication** and handle its administration as secretary. I manage **a volunteer team of around fifteen students**, handling **group dynamics**, **communication within the team** and task delegation. I run the TikTok account **@bde.mmi.le.puy**, for which I develop an **editorial strategy** and take care of **video production**.

2025/2026:

Project Manager & Community Manager, SPA Campaign:

I led a **team of 5 students** on a **digital communication campaign** for the SPA Haute-Loire. For the fictional campaign "Les Noëls de la SPA", I rolled out a **multichannel strategy** covering **social media**, **posters** (made with **Canva** and **Adobe Illustrator**), video (**CapCut**) and a **microsite**. As **community manager**, I oversaw content creation, **emotional storytelling** and the writing of calls to **action**, aimed at responsible adoption, donations and volunteer recruitment.

Project Manager, Fictional Iris Campaign (Afflelou X Essilor):

I led a **team of 4 students** on a full **multimedia communication campaign**, leading the development of the **communication strategy** (**SWOT**, **PESTEL**, **SMART objectives**, **personas**). I designed **the full visual identity** (logo, brand guidelines, art direction) using **Adobe Illustrator** and **Canva**, and built a **bilingual WordPress website** featuring all the content. I also produced a **promotional film** from A to Z, scripting, filming and editing, using **Adobe Premiere Pro** and **CapCut**. **Project management** was handled with **Trello** and **Gantt**, with **two oral presentations**, one in French and one in English, **in front of a panel** in June 2026.

Co-head of Graphic Design, *Interface* Journal, 2026 edition:

I handled the **art direction** and coordination of the design team for the student journal ***Interface***, ensuring the **visual consistency** of the publication. I was in charge of **graphic design** and layout using **Adobe InDesign**, working closely with the editorial and communication teams.
